Motion to: As an emergency interim measure a immediate ban on any structures more than 10 years old being brought on to the Reservation. This will be placed on a general membership meeting in January 2004. This emergency measure is in direct correlation with the motion made January 9, 2000 item number five, "Bo Mazzetti asked the band members in attendance if they would consider passing a resolution or at least bringing to vote a motion that would forbid any moving of structures on the reservation older than 10 years. Bo Mazzetti made a motion that no mobile home or structure older than 10 years could be moved onto the reservation. Jerri Mazzetti seconded the motion. With 19 in favor, 2 opposed, and 0 abstaining.

Effective October 26, 2003 the above General Membership motion will be implemented based on the action of that meeting. Prior to any new trailer or dwelling being brought within the Rincon Reservation's Exterior Boundaries proper documentation must be submitted to the Rincon Housing Department that certifies the age of the dwelling. All tribal members and their tenants must follow this policy. Any structure what so ever must be 10 years or newer. Violators of this policy will have their per capita payments forfeited until the unit is removed from the reservation's exterior boundaries. This emergency policy is to be better defined in the future.

APPROVED

Also prior to per capita payments beginning again (with no retroactive monies due for missed disbursements) proof must be submitted to the tribe, and reviewed by the housing department to make sure that individuals are in compliance with this policy, when the proof of compliance has been submitted and reviewed, per capita payments will commence on the next scheduled disbursement date.

Motion by: Bo Mazzetti
