

# WATER EFFICIENCY

## A RINCON WAY OF LIFE!

The Rincon Reservation relies 100 PERCENT on the groundwater stored in the aquifer below the reservation

Help conserve water to preserve the tribe's precious water supply.

### INDOORS

Shorten showers and turn off faucets

Run the dishwasher only when full

Get an Energy Star labeled washing machine.

Wash full loads of clothes

Install water-efficient appliances.

Repair leaking toilets & faucets

### OUTDOORS

Use a broom instead of a hose to clean driveways and patios

Install covers on pools and spas to reduce evaporation

Use a self-closing hose nozzle for washing a car

### LANDSCAPING

Water in the late evening or early morning to reduce evaporation

Add 3 inches of mulch around trees and plants to reduce evaporation

Turn off irrigation systems before rainstorms

Repair leaks and broken sprinklers

Replace your lawn with native or low-water plants

Install aerators with flow restrictors on faucets and showerheads

Install a landscaping timer or "weather-based irrigation controller" for watering systems
